## **Background**

At the Council Meeting held on 22<sup>nd</sup> May 2018 it was agreed to defer the decision in relation to grass cutting until representatives from DfI Roads attend a Special Council meeting to be held on 30<sup>th</sup> May 2018.

Since the last Council meeting there has been significant negotiations and an agreement in principal in relation to grass cutting has been reached. This agreement will allow Council to continue to cut the DfI Roads grass areas previously completed by Council.

The terms of this agreement will be shared with Members on the evening. Pending agreement by Members, Council will begin grass cutting these agreed areas with immediate effect.
