Please Note – Changes to CDSG for 2022-23
--

We have made some changes to the annual Community Development Support Grant so please take time to read these guidance notes to ensure that you can complete the application form correctly. We have made these changes based on feedback from community organisations and in an effort to make the application process simpler and quicker.

In summary the changes are as follows:

- i. We will **award grants to successful applicants for 3 years** rather than an annual application. This will be subject to DfC providing funding to Council and successful achievement of outcomes in year one.
- ii. We have **increased the budget** for Community Development Support Grants by an additional £43,750 so that we can increase the levels of grant awarded. This means that the maximum amount of grant that you can apply for has increased and we have changed from 2 to 3 different levels of grant award. (see Section 1.3)
- iii. We have **reduced the number of questions** in Part B of the application form. We would like you to tell us about what activities you plan to deliver, who will benefit and a breakdown of costs of your programme. If you have a community facility that is hired by other organisations in your community we will ask you to provide details of these. (See Section 2.0)
- iv. We will **assess your application by a simple pass or fail** rather than scoring each of your answers.

Covid-19

Please note responsibility remains with you, the applicant, to ensure that all event activities are permitted and comply with current and any future changes in Northern Ireland regulations, as set out in the Government's Coronavirus guidance at the time of planning/delivery.

1.1 Purpose of the Grant Programme

The purpose of the Community Development Grant Programme is to provide financial support to community development organisations within the Causeway Coast and Glens area towards the core costs of operating your organisation, for example insurance, utilities, accountancy fees etc, in order to allow your organisation to avail of specific project funding from other Council funds or external funding sources to deliver your activities and services.

1.2 Overview of fund

Council's Community Development Strategy guides how Council supports the community and voluntary sector and supports and promotes community development practice in the Borough with financial assistance from the Department for Communities through its Community Support Programme

The Community Development Support Grant Programme will provide grants to support, promote and develop the capacity of communities across Causeway Coast and Glens Borough Council by providing financial assistance towards core costs of projects that meet the outcomes of the Community Development Strategy. A full copy of the strategy is available at:

[https://www.causewaycoastandglens.gov.uk/uploads/general/COMMUNITY_DEVELOPMENT STRATEGY 2020-23 FINAL DRAFT 03.02.20.pdf](https://www.causewaycoastandglens.gov.uk/uploads/general/COMMUNITY_DEVELOPMENT_STRATEGY_2020-23_FINAL_DRAFT_03.02.20.pdf)

All organisations funded through the Community Development Grant Scheme must demonstrate how their project contributes towards addressing issues within the community they are serving. Organisations will be asked to report back on how effective their project has been in meeting these needs.

1.3 Levels of grant award

There are 3 levels of grants available within the Community Development Support Grant Programme for 2021-22:

Community Development Grant Programme	Maximum Grant Amount
<p>Category A: Community development groups directly providing a programme of activities. The group has its own premises* including a hall/space adaptable for a range of activities with one or more meeting rooms, hired by at least 2 other groups on a regular (at least monthly) basis.</p> <p>Category B: Community development group directly providing a programme of activities with a premises* for their own use which is hired out by less than 2 other users on a regular basis.</p> <p>Category C: Community development group that provides a programme of activities without their own premises.</p> <p>(Up to <u>75%</u> of total costs can be applied for)</p>	<p>Max amount you can apply for has increased from £2,000 to £3,500</p> <p>Max amount you can apply for has increased from £2,000 to £2,500</p> <p>Max amount you can apply for has increased from £1,000 to £1,250</p>

* Community centre, hall or facilities that are owned by the community group or for which you have a lease in place.

This is a competitive process and all grant awards will be determined on the basis of merit. Applicants are advised that organisations that have been successful in securing Council funding in the past will not automatically be guaranteed funding in the future. Council reserves the right to reduce the amount of funding awarded if we do not consider that the amount applied for represents value for money.

Please Note: Groups will have to provide all evidence requested once the project expenditure is complete. This will include receipts, bank statements, or any other documentation deemed necessary. This list is not exhaustive. If requested documentation is not supplied then clawback procedures will be initiated. Please do not apply for funding if you cannot supply these items.

1.4 General Principles

In line with Council's Grant Funding Policy the overarching principle for all Council grant funding is that of meeting local needs which have been identified and prioritised by Council or by others but acknowledged by Council. Any activity that cannot be shown to meet the following basic requirements will not be provided with funding:

- Have a clearly identified need – this should be identified through engagement with members of your community and the use of statistics and evidence that might support this need.
- Can deliver outcomes ie the change that will happen as a result of your activities and the difference these will make to people’s lives.
- Deliver cost effective and quality service provision, fitting with the purpose and remit of the funding.
- Be delivered by a credible organisation with the capacity to deliver the project as stated.
- Reflect the statutory remit of Causeway Coast and Glens Borough Council aligning with the Council’s Corporate Plan, the relevant Service plan and that they can meet the specific criteria of the fund, in this instance the Community Development Support Grant criteria.

If the organisation, based on the information supplied is able to satisfy the Council of their eligibility to draw down the grant, they will progress to the next part of the process. If the organisation, based on the information supplied, is not able to satisfy the Council of their eligibility to draw down the grant from the fund, they will be advised of specific omissions / shortcomings and how these can be addressed to help prepare them for any future funding requests.

3.4 How decisions are made.

When the assessments are finalised a report will be presented to the Leisure and Development Committee for consideration and recommendation to full Council for approval.

It will be at this point, that the successful/unsuccessful applicants will be notified.

3.5 What happens if an application is successful?

If an application is successful, Council will issue a letter of offer which is a legal agreement with the organisation to deliver on the proposals outlined in their application form. Signed Letters of Offer will need to be returned before funding is released

If successful, group members can avail of specific training that will explain the processes and procedures that relate to programme monitoring, submitting a financial claim, requesting a change to programme, promoting Council's support for the programme, monitoring and evaluation requirements and the process of verification. The training is a good way to establish the working relationship between Community Development Grant recipients and Council Officers, so that should the applicant have any support needs, the Council can respond in an appropriate and timely manner.

Council funding is paid retrospectively. Grants will normally be released in two instalments – 50% of the grant will be awarded upfront if the organisations does not have sufficient reserves, followed by remaining 50% once evaluation/financial claim is verified satisfactorily.

Successful organisations are required to submit an annual/ end of funding evaluation report. Officers may arrange post project evaluation visits to discuss the monitoring information with the groups that were funded and also with some of the people who have benefited from the community activity.

In 2022-23 Letters of Offer for up to 3 years funding will be issued. Successful applicants will not have to submit a new application for 2023-24 however release of funding in years 2 and 3 will be subject to successful achievement of outcomes in year one, submission of project plan for the following year, and receipt of funding from DfC by Council.

3.6 What happens if an application is not successful?

If an application is not successful officers from the Council will be available to meet with the organisation to go through their application, develop a working relationship and provide practical developmental support to address areas of concern.

An Appeals Process / Review Procedure is also available if an application is unsuccessful. The purpose of this is to ensure that the decisions taken and procedures followed by Committees for individual applications are applied fairly and consistently.

The Review will provide an independent process through which an applicant will have the opportunity to demonstrate to the Review Panel that either:

- the outcome was unreasonable or
- that the proper procedures were not followed

Appeals on any other grounds will not be considered.

3.7 Government Funding Database

Please be aware we are required to check the Government Funding Database (GFD) prior to making awards in order to avoid duplication of funding.

If registered on GFD we ask you to state your organisation's Unique Reference Number (URN) to help with this process. Details of grants awarded will be uploaded to the GFD, it is the responsibility of the applicant group to ensure that the organisation details held on GFD are up to date.

.

3.8 Late Applications

It is the responsibility of each applicant to ensure that their application is submitted prior to the advertised time and date of closing. Applications received after the closing time/date will not be considered for funding. No exceptions will be made and there is no recourse to appeal. All applications received prior to the time and date of closing will be acknowledged.
