Local Government Finance Masterclass for Councillors

Online — Zoom
Thursday 10th February 2022
6-8.30pm

NILGA, in partnership with SOLACE, the Association of Local Government Finance Officers, CIPFA and the support of the LGTG, invites Elected Members to an online Masterclass on Local Government Finance. This session will improve councillors understanding, participation and confidence in:

- The Sustainability of Councils
- Importance of Finance in Strategic Planning
- The Local Government Finance System and Legislative requirements
- Financial Scrutiny and Challenge
- Innovation and Transformation

Why Attend?

Local government exists to provide a range of services that improves the social, economic and environmental wellbeing of your area. Expenditure on these services is allocated using a complex financial system, which can be difficult to understand. Participation on this masterclass will de-mystify this complex system and help you to help local government target resources in the most impactful way, based on robust defensible decision making.

Hosted by NILGA with support from the LGTG (Local Government Training Group), this session is open to all Elected Members, officers and interested stakeholders. The session will be delivered online via zoom, details will be provided to all registered delegates. To register please email events@nilga.org.
