1.0 Purpose of Report

The purpose of this report is to seek approval for the proposed Community Platinum Jubilee Grant Programme awards as recommended by the Jubilee Working Group to successful applicant organisations.

2.0 Background

A report was provided to the Leisure & Development Committee at its meeting of the 15th February 2022, outlining the proposed programme of activities and associated budgetary requirements for the Queen's Platinum Jubilee Programme.

The committee approved the proposals including a budget of £30,000 for a Platinum Jubilee Grant Programme. This was ratified by full Council at its meeting on 1st March 2022.

3.0 The Community Platinum Jubilee Grant Programme

The purpose of the Grant Programme is to provide funding to community and voluntary organisations for small scale community events and activities to mark the occasion of the Queen's Platinum Jubilee.

Applicants were required to show how their project met the following objectives:

1. Celebrate the Queens Platinum Jubilee in a spirit of inclusion and respect;
2. Encourage, promote and celebrate community connections.

Single organisations could apply for a grant of up to £500; two organisations working together could apply for a grant of up to £1,000; and three or more organisations working together could apply for a grant of up to £1,500.

Applications were assessed against the following 3 criteria:

- i. Project detail provided, including activities, timescale, participants?
- ii Does the project meet the two Programme Objectives?
- iii Is the project inclusive and do the organisers promote community participation?

4.0 Applications Received

The grant programme was opened for applications on 9th March with a closing date of 23rd March 2022. A total of 83 applications to a total value of £63,241 were received by the closing date. Council Officers carried out eligibility checks on the applicant organisations, and the applications were then assessed using a pass/fail approach against the assessment criteria. A Grants Assessment Panel, nominated by the Jubilee Working Group, reviewed the assessment results and the Jubilee Working Group at its meeting on 29th March recommended the results for the approval of the Leisure & Development Committee.

The total value of the successful applications for eligible costs is £60,397.48; the approved budget available is £30,000. The Working Group propose that awards of 50% of the eligible amounts applied for are made. A list of the applications received, and the recommended grant awards are listed in **Annex A**.

5.0 Recommendation

It is recommended that Council approve the award amounts as recommended by the Jubilee Working Group to successful applicant groups as laid out in **Annex A** of this report.
