1.0 Purpose of Report

- 1.1 The purpose of this report is to inform members of a review of the Emergency Plan for the organisation.

2.0 Background

- 2.1 The Council Emergency Plan provides a framework to enable decisions to be made and an appropriate response provided with a minimum of delay, regardless of the type of emergency occurring within the Borough.
- 2.2 The aim of the plan is to assist Causeway Coast and Glens Borough Council in meeting the expectations of the public, central government and the emergency services in an emergency situation.
- 2.3 Officers together with the internal Emergency Planning Implementation Group have reviewed and updated the existing Emergency Plan to reflect changes in the membership of Council's Emergency Management Team and incident notification report form.
- 2.4 A copy of the revised document is available in the members' library and hardcopy is available to members upon request.

3.0 Recommendation

- 3.1 It is recommended that the Environmental Services Committee note the above report.
