1.0 Purpose of Report

1.1 The purpose of the report is to present correspondence for Members' consideration.

2.0 The following correspondence has been received:

2.1 James McCorkell, Lead Volunteer, For Limavady Outreach Centre/Fmani (Fibromyalgia Awareness), email dated 1 August 2023

2.2 Extract

On behalf of Limavady Outreach Centre and our lead charity Fibromyalgia Awareness NI, I would like to explore the possibility of taking the WW1 beacon on loan from Council permanently.

We are in the process of creating a town centre garden which will be accessible via Main Street and Central Carpark and the beacon would be a perfect addition to the garden and for those using the space.

Ideally we would like to use the beacon specifically to mark certain dates. For example, September is International Pain Awareness month and we will be running a series of events around this. The beacon could be used to be lit to launch these events. It would come under our own public liability insurance.

3.0 Recommendation

It is recommended that Corporate Policy and Resources Committee consider the correspondence.
