12	Something should be on for Saint Patricks Day, also 15th Aug as the children are off school and it would be entertainment for them too. I would like to see the diamond area used at weekends throughout the summer evenings for bands like they way they do in Portstewart, this might encourage cafes and the like to open in the evenings as not everyone wants to go to pubs at night.	3/18/2015 10:45 PM

The Lammas fair is so depressing, stalls selling rubbish, more effort needs to be put into it , to ensure it represents the local culture/ crafts. if it wasnt for the amusements at the Quay rd for the children, most people would not bother going---- definately not a tourist attraction anymore	3/17/2015 10:29 AM

More than an arts centre...think siamsa tiara in kerry or the nerve centre in derry...a creative hub.....	3/17/2015 9:22 AM

1	Help with Young People getting a youth building of their own by lobbying to the Neelb and Council. It's been a battle for 15years with very little community support. Lately some Councilors and Community reps went against plans in place for a purpose build for the local Youth Club, all young people involved where very disappoint and feel they don't matter to organisation like this. The building couldn't go ahead because of these complaints! Thanks	3/26/2015 2:46 PM
2	Redevelop the old Fairs, and the old walking trails at White Rocks and from the end of Carrickmore Rd round the shore to Fair Head	3/22/2015 12:44 PM
3	I think the basics should be concentrated on rather than starting new big projects. i.e safety, lamposts up at ramone and top road of leyland, shelter structure at the seafront for when it rains theres nowhere to go everyone automatically uses the shorebird's porch area, parking quay road to use the park causes an obstruction etc etc	3/20/2015 8:23 PM
4	local training for people who havent worked in sometime,	3/19/2015 11:19 PM
5	We must give a lot of support to the excellent community leaders we have eg Paul Kerrigan and build on their adventurous first steps.	3/19/2015 11:07 PM
6	Encourage Rathlin to have later ferries in the summer & all of Rathlin to be 'open for business longer ' which will attract more people to Ballycastle . Prompt the ferry link to Scotland , to get more people into the town this way	3/19/2015 10:22 PM
7	NOT FOR PROFIT COMMUNITY RADIO LATER PUBLIC TRANSPORT departures TO B'CASTLE from B'fast/Coleraine etc.	3/19/2015 7:27 PM
8	Indoor childrens soft play area.	3/18/2015 11:07 AM
9	Get a swimming pool please!! It's ridiculous that my aunt with arthritis can't get decent exercise because it's too painful for her to drive to Ballymoney to use the pool there.	3/18/2015 10:03 AM
10	Put a greenway between Ballymoney and Ballycastle at the centre of your town plans - other benefits will multiply from this: <a href="https://nigreenways.wordpress.com/2014/10/15/ballymoney-ballycastle-greenway-of-thrones/">https://nigreenways.wordpress.com/2014/10/15/ballymoney-ballycastle-greenway-of-thrones/</a>	3/18/2015 9:30 AM
11	Ballycastle is s lovely relaxed place it needs to avoid contentious issues and maintain its family ~ Tourist friendly rep. I'm esp glad all those misplaced apostrophes have disappeared from various shop signs too!	3/18/2015 12:05 AM
12	Would really like to see the market reinstated to the diamond as the traditional and historic market location. Appreciate that might be less attractive over the winter due to weather but surely possible in summer? It would also share the spoils around different parts of the town.	3/17/2015 11:30 PM
13	Use the local knowledge expertise - so many people from so many working backgrounds can provide valuable insight/opinion on way forward. What is being done to fill empty shops - what is being done to attract businesses. Why, for example, is post office crammed in another shop when there are so many empty premises? It's about creating an identity for the town, A lot has been achieved but there is still untapped potential .	3/17/2015 9:48 PM
14	The boards with graffiti on them are an eyesore and make the town appear rougher than it is. The traffic situation is dangerous. My child was almost hit by a car who nearly failed to stop even after the crossing guard came into the road. Police presence may be necessary to wake people up.	3/17/2015 9:15 PM
15	Not to just focus so much on the Sea Front Area Better decorations/lights at Christmas Getting ideas from the younger generation, not only in Secondary school but also within Primary Forest park with guides More walkway links	3/17/2015 9:08 PM
16	Promote the establishment of cycle paths, new leisure centre and Pool!	3/17/2015 7:55 PM

17	I know that I want things to change but don't have the vision to know what or how. I'd rather sit back and complain than do something about it ;)	3/17/2015 7:35 PM
18	keep up the great work folks!	3/17/2015 7:20 PM
19	Competitions during winter for kids activity(window spotting etc). More involvement of youth and togetherness.....secondary schools promote this yet feel distinct separation out of school. Togetherness, mutual grounds....people's garden could help. Neutral buildings for community clubs and meetings other than church/school halls.	3/17/2015 6:48 PM
20	Not only provide more for tourists but for the younger generation and family activities	3/17/2015 5:27 PM
21	Enforce the double yellow lines through the town and turn the magic roundabout into an American style 4-way junction. It's an accident waiting to happen.	3/17/2015 4:27 PM
22	I feel our youths & visitors would benefit from a skating/scooter/BMX park round by the Harbour Carpark! There is a huge expanse of unused Carpark that is an ideal location for locals & visitors to park, walk about while the kids play! Promoting healthy outdoor exercise & our beautiful harbour area! Can only benefit the local business with ongoing revenue, not just in the popular summer months! Instead we got crazy golf when we already have a golf club! Not everyone likes golf! Loads of kids bike, skate & scooter! Come on.. See the bigger picture! Promote health & exercise!	3/17/2015 3:31 PM
23	Businesses should contribute part of their profits to everyone's mutual benefit	3/17/2015 2:54 PM
24	Car parking is important at seafront develop a link from seafront to the shopping areas	3/17/2015 1:56 PM
25	I feel that being so close to the seaside there should be more activities for both adults and children for example snorkeling or small discover scuba diving course, fishing lessons etc would be great to have a sea shop that offers this down the seafront..	3/17/2015 1:17 PM
26	Involving the public meetings seem to be secret. Development for the benefit of all not just traders. All inclusive communicate with all community groups	3/17/2015 11:41 AM
27	Lobby for improved public transport services. There is no direct bus service to the international airport! Extend the causeway rambler bus service to reach the Rathlin Ferry, and the Glens of Antrim. Ballycastle should make more of its Gateway to Rathlin status. See the Puffins! Visit Northern Ireland's only inhabited Offshore island! Watch the seals! Robert the Bruce! If Ballycastle promotes Rathlin, both communities will flourish.	3/17/2015 11:37 AM
28	Kids BMX or skate park, something similar to T13 in Belfast. Develop walks, the walk up the old railway line & through the forest coming out at Drumavoley is under publicised. Cycling or running events both road and trail/off road.	3/17/2015 10:59 AM
29	We need to be encouraging more local business people to take up residence in the derelict buildings in town and when we are holding events in town to attract tourism we should be hiring our own, local performers to provide entertainment rather than paying extortionate fees to outside companies.	3/17/2015 10:47 AM
30	Encourage local restaurateurs to be more adventurous with food offerings and start to establish Ballycastle as a foodie town. Poor feedback from tourists who get very tired of the same fare being offered everywhere	3/17/2015 10:31 AM
31	Keep going ??	3/17/2015 10:31 AM
32	reduce the shop rates and encourage more business to fill empty shops---- check out newcastle co down, no empty shops, no parking charges, upmarket coffee shops/ restaurants	3/17/2015 10:29 AM
33	The mini roundabout at the Leyland/market street junction is very dangerous and it is only a matter of time before there is a pedestrian fatality. Is it in the partnership's remit to lobby for a solution? E.g. a traffic light system.	3/17/2015 10:24 AM
34	Better transport into and out of town would benefit both local people and encourage visitors	3/17/2015 10:21 AM
35	I think you are doing an excellent job	3/17/2015 10:10 AM
36	Link with successful towns to learn how to improve ours. Totnes, Devon and other Transition Towns for building community resilience.	3/17/2015 10:08 AM
37	Parking and unloading lorries on Castle St and Ann St is a ridiculous problem which could easily be fixed. Unloading restricted to before 10am and clamp down on illegal parking to improve flow.	3/17/2015 9:50 AM
38	clean up the Ballycastle signs as you come into town- have more litter picks! We should be more active in terms of dog fouling and dog disturbances Thank you	3/17/2015 9:22 AM
39	Please don't let us turn into a mini-Belfast, we have always had an amazing wee town which needs to retain it's own identity whilst developing. Also we don't want to be a holiday town which becomes a ghost town when it falls out of favour, like Portrush/Portstewart....	3/17/2015 9:21 AM

41	Helping to address the speed of traffic in the town, particularly around residential areas	3/17/2015 8:23 AM
42	more fun days for children, definitely something for St Patrick's day parade. A great variety of summer events.	3/17/2015 8:02 AM
43	Push for better transport links.	3/17/2015 7:15 AM
44	Engaging with whoever owns old park manor to tidy it up not v welcoming sight to an otherwise lovely seafront area.	3/17/2015 7:00 AM
45	Create a properly fenced dog park where owners can let their dogs run free securely.	3/17/2015 3:18 AM
46	More emphasis on water sports and making use of the coastline for tourism	3/17/2015 1:48 AM
47	Trying to get better transport links to more areas.	3/17/2015 1:31 AM
48	Get the work of the partnership better known. Ensure you are representative of the socioeconomic community, get the arts community more involved - but also give yourselves a big congratulations for what has already been achieved.	3/17/2015 1:19 AM
49	More interaction with sports clubs. It appears if your not part of a selected group/click very little consultation is ever done.	3/17/2015 1:19 AM
50	Facebook and website good think they could be encouraged, Think there could be more to encourage the maritime There could be activities on Pans rocks and KEEP THE PATH PAST MARCONIS COTTAGE ! Have guided walks of the seafront with the history and walks along the sand to the dyke and the calmness.	3/17/2015 1:17 AM
51	I think transport links should be improved and not cut !!!	3/17/2015 1:09 AM
52	i feel things like st Patricks day should be celebrated, we should do something about the Lammas fair the lack of handmade goods and the amount of cheap rubbish sold is crazy bring back thr old craft stalls and allow local crafters the chance to sell their handmade goods in the town over the fair without crazy fees, speed bumps to stop boy racers racing up and down castle Street at 2am every night,	3/17/2015 1:01 AM
53	Something for teenagers (little for the 12 - 16 year olds).	3/17/2015 12:57 AM
54	needs to help small businesses crippled with overheads	3/17/2015 12:51 AM
55	Should ensure that they make their voices heard by the new Council and by Central Gov Depts - lobbying is just as important. Community planning also need to be prepared for. Take pride in and protect Conservation status of town and promote it's uniqueness	3/16/2015 10:53 AM
56	Test complete	3/9/2015 10:35 AM
