**Causeway Coast and Glens Borough Council has approved planning permission  
for the following proposal:**

Application No: LA01/2018/1154/F

Location: Land comprising of & immediately south west of River Ridge  
Recycling Integrated Waste Management Facility  
56 Craigmores Road, Garvagh

Proposal: 1) The re-profiling of the non-hazardous landfill (C/2012/0277/F) resulting in the removal of the existing access road and creation of new road, re-profiling to join the proposed extension to the landfill (resulting in the increase in height of existing landfill), provision of revised restoration plans for the existing non-hazardous landfill to tie in with the new restoration plans for the proposed extension to the landfill; and amended landscaping and new constructed wetlands proposals.

The re-profiling will result in non-compliance with conditions 8 & 9 of planning permission C/2012/0277/F that relates to the existing non-hazardous landfill (condition 8 required the landform to be restored in accordance with the approved drawing and condition 9 required the site to be graded to an even contour, covered in topsoil and sown with grass.

2) The south westerly extension to existing non-hazardous landfill (C/2012/0277/F) comprising: temporary works involving access road to the landfill extension and cells therein, works compound and netting; landfill cell construction involving removal of existing soils & clays, creation of bunds & natural & artificial engineered liners; provision of management systems & infrastructure for ground water, surface water, gas & leachate; landscaping & the connection of new management system infrastructure into that of the existing non-hazardous landfill (C/2012/0277/F) via connection and pumping
