

CHILDREN'S CRAFT MONTH FLOWERFIELD 2017

July is traditionally Craft Month for Children at Flowerfield Arts Centre. To encourage potential makers of the future, we offer children the chance to try crafts like Pottery, 3D Printing, Glass Fusing and Textiles, in 5 day workshops, each week. Crafts are taught by qualified makers and artists in our fun filled Arts Centre.

Arts & Crafts for Children aged 3-12yrs

Enrolment. Enrolment forms are available at the Flowerfield Reception Desk and of course you can phone **028 7083 1400** to make an enrolment, please note places do go quickly and we don't hold them.

Parental Consent. When enrolling, complete the form in full, giving name of child & age at last birthday, contact numbers and full address also sign the 'Parental Consent' section on the back of the form. If enrolling by phone, the receptionist will take these details and the parent or guardian must sign the consent form on the first day of the child's attendance.

Photography - for archives and publicity, we may photograph the children's and their classwork. We always ask permission from parents and guardians to do this, so if you do not want your child to be included in the photo, strike out the relevant sentence on the back of the enrolment form.

Age. All the workshops are designed to give the best creative experience to the widest range of children and parents are advised to **enrol children within their true age group** to ensure they get the creative learning experience best suited to their ability.

Medical & Allergies. Please make us aware, or advise us of any health conditions or allergies that your child may have. We give children plain biscuits and sugar free squash as a snack break during the class.
