Dear Sir/Madam,

Re: Proposed Amendment to The Control of Traffic ('The Dark Hedges') Order (Northern Ireland) 2017.

DfI Roads proposes to amend the above order to permit buses providing a local transport service to access to U65 Chatham Road and U64 Doughery Brae.

The reason for the proposed amendment is to allow local transport service buses access to collect passengers on the roads referred to above.

I have enclosed a plan of the roads affected by the proposed amendment for your information.

The Department would welcome your written comments on this proposal.

Yours Faithfully
