	Department for Communities	The Design Guide for Travellers Sites in Northern Ireland	31 July 2019
<p>The Department has completed a comprehensive review and produced an updated draft Design Guide, which is being shared with you as a consultee as part of a focused consultation process.</p> <p>The Design Guide for Travellers Sites in Northern Ireland is a purely technical document. It is intended to support the provision of appropriate cost effective facilities for Travellers living in Northern Ireland. This guide should be considered in the development of new sites and for sites that have to be substantially redeveloped. It seeks to outline the key issues, including the relevant planning context, that must be considered and identify the main design and management elements necessary to create high quality and sustainable Traveller sites which meet residents' traditional and cultural needs.</p> <p>https://www.communities-ni.gov.uk/publications/design-guide-travellers-sites-northern-ireland-2019-screening</p>
