

Addendum

LA01/2017/1617/F

Update

A further objection submission from Karen Kirkpatrick was received on 15 October 2018. This raises issues regarding road safety and specifically with slow moving traffic emerging from the Parks Nursery entrance onto Newmills Road.

Consideration

DfI Roads as the competent authority has already considered the suitability of the access arrangements and has found them satisfactory. Furthermore DfI Roads are aware of previous objections regarding road safety issues. DfI Roads has maintained their position that the access arrangements are satisfactory.

Recommendation

That the Committee note the contents of this Addendum and agree with the recommendation to approve, as set out in paragraph 9.1 of the Planning Committee Report.
