Dear Chief Executives and Planning Managers

Re: Changes in Senior Management within the Department for Infrastructure (DfI)

I wish to confirm a number of recent changes at senior management level within DfI. On 6 September Katrina Godfrey replaced Peter May as Permanent Secretary of the Department for Infrastructure.

John Irvine has been appointed Deputy Secretary (acting) with responsibility for Planning, Water and DVA, replacing Fiona McCandless who moved to the Department for Agriculture, Environment and Rural Affairs (DAERA) in June.

I remain the Director of Regional Planning Directorate, and have also assumed the role of Chief Planner, reporting to John Irvine. Alistair Beggs remains the Director of Strategic Planning Directorate also reporting to John Irvine.

Yours sincerely

ANGUS KERR
Chief Planner
& Director of Regional Planning
