

# **Addendum**

## **LA01/2020/0752/F**

### **1.0 Update**

1.1 A further letter of support was received on 8<sup>th</sup> February 2022 from Irwin Pollock in relation to this application. This letter states the following;

- Victor has been a big part of the family farm since he was a young boy and still continues to look after my cattle and sheep while I am at work every day.
- It is essential to the farm business that Victor is near hand all the time to look after things.
- If the pickup business is closed it will cause great hardship to our family, including our farm.

1.2 The commercial vehicle sales business operates separately from the farm business and are not considered reliant on each other to operate. This letter of support does not change the Planning Department's position in relation to the retention of the vehicle sales business.

### **2.0 Recommendation**

2.1 That the Committee note the contents of this Addendum and agree with the recommendation to refuse the proposed development in accordance with paragraph 1.1 of the Planning Committee report.
