

Addendum

LA01/2023/0039/F

1.0 Update

- 1.1 An additional objection was received on 20/11/2023 from no. 10 Knockanbaan. The main concerns raised include:
- The path is frequently used by a number of people at all times of day.
 - The objector has not witnessed antisocial behaviour taking place.
 - The path does not feel unsafe.
 - The objector was not made aware of the proposal prior to receiving neighbour notification.
 - Other neighbours were not aware of the proposal at all and have expressed surprise that the path is proposed to be closed.
- 1.2 It is noted that some of the concerns raised are in contrast to comments raised in letters of support previously received, and that comments raised from all representations may be subjective.
- 1.3 As outlined in Paragraph 5.1 of the Planning Committee report, all appropriate publicity arrangements have taken place.
- 1.4 The contents of the objection have been considered and the recommendation to refuse the proposal remains.

2.0 Recommendation

- 2.1 That the Committee note the contents of this Addendum and agree with the recommendation to refuse the application in accordance with Paragraph 1.1 of the Planning Committee report.
