We note from the planner notes that there was some confusion over address on 'Doctor's ' letter
Also client has advised that there is more health evidence that can be provided which highlights that our client's
Daughter (who lives with her) is her official carer.

We will be submitting additional evidence on Health
And therefore respectfully request time to submit this information.

Alan,

As the P1 form notes the applicant as Meave Quigg who lives at 80a Curragh Road and the medical letter you have provided states Meave Quigg lives at no. 80 Curragh Road, can you please clarify the names of the residents who live at no. 80a and the names of the residents who live at no.80. Please also clarify who the dwelling is for?

Can you clarify if you are making a case under PPS 21 CTY 6? And if you are making this case, please provide a timeframe on when you will be supplying the information in support of CTY 6.

Regards,

Rosaleen Mc Nicholl
