Dear all,

I would like to register my objection to this application: LA01/2019/0903/O, 55 Strand Road, Portstewart.

I feel that this recommendation for approval is a terrible decision, and one which despite the planners' comments to the contrary, contravenes planning policy. The site is in a quiet established residential area, and allowing apartments to be built on this stretch of road will undoubtedly open the floodgates for further development in the future in the area.

I also note the 17 objections already raised on this application, as well as the traffic safety implications on this blind corner of Strand Road.

I would ask the committee to give careful consideration to refusal of this application.

Many Thanks  
Cllr Chris McCaw
