1.1 Purpose of Grant Programme

The purpose of the Social Connections Grant Programme is to provide small grants to community and voluntary organisations to address loneliness and isolation and build social connections.

1.2 Overview of fund

Council is collaborating with the Northern Health & Social Care Trust through the Causeway Coast and Glens Loneliness Network as well as the Causeway GP Federation Multi-Disciplinary Team and Limavady GP Multi-Disciplinary Team to recognise the important role that community groups and voluntary organisations play in creating connecting opportunities reaching out to people who are experiencing loneliness in our communities.

Loneliness and related mental health problems can affect anyone, at any stage in life. There is growing recognition of the impact being socially isolated or feeling lonely has on your physical and mental health.

Mental Health Foundation research suggests that some groups of people are especially likely to feel lonely. They include young adults, people with existing mental health problems and people from some minority ethnic groups. Other groups more likely to be affected by loneliness include older people, in particular, those who are digitally excluded, people living with long-term health conditions, people who are unemployed, and people who identify as LGBTQ+. Poverty also intensifies loneliness. The impact that lack of money has on the

ability to take part in get-togethers that others take for granted intensifies loneliness. This is particularly intensified during the current cost of living crisis.

The Objectives of the Social Connections Grant Programme are to:

- create more opportunities to bring people together to make connections doing something they enjoy;
- help to reduce the social isolation that can be a result of living in poverty;
- reach people who may be less likely to attend community activities;
- enable local activities to become more accessible;
- involve the people who will benefit from the project in shaping your project

1.3 Levels of grant award

Social Connections Grant Programme	Maximum Grant Amount

1.4 General Principles

In line with Council's Grant Funding Policy the overarching principle for all Council grant funding is that of meeting local needs which have been identified and prioritised by Council or by others but acknowledged by Council. Any activity that cannot be shown to meet the following basic requirements will not be provided with funding:

- Have a clearly identified need.
- Can deliver outcomes which meet this need.
- Deliver cost effective and quality service provision, fitting with the purpose and remit of the funding.
- Be delivered by a credible organisation with the capacity to deliver the project as stated.
- Reflect the statutory remit of Causeway Coast and Glens Borough Council, aligning with Council's Corporate Plan, the relevant Service plan and that they can meet the specific criteria of the fund, in this instance the Social Connections Grant Programme criteria.
- Applicants must demonstrate their commitment to promoting Good Relations and Equality of Opportunity.
- In the interests of transparency, equality and accountability, all applicants will have a right of appeal should their application be rejected.

1.5 Who Can Apply?

To be eligible for grant-aid, you will have to show that your organisation is a bona fide organisation that is well run and that it:

- Has a properly adopted "Governing Document" such as a constitution or memorandum and articles of association which clearly show that it is non-profit making and taking. Evidence that a constitution has been formally adopted must be supplied.
- Sports Clubs and Youth Clubs can apply to the grant programme as long as the project you are applying for is a social connections project that is in addition to and separate from your regular activities.
- Faith based organisations can apply to this grant programme, as long as the activity applied for does not involve promotion or advancement of religion.
- Organisations that intend to apply for a Community Festivals Fund Grant can apply to the Social Inclusion Grant Programme as long as the project they are applying for is different to the community festival event.
- Organisations must demonstrate that they are well run and that they provide a voice for local concerns. The initiatives in which they are seeking funding for must be inclusive, open to the whole community and adhere to democratic principles.

- **Organisations that are successful in an application to the Community Development Support Grant (CDSG) from Causeway Coast and Glens Borough Council can apply for a Social Connections Grant but must use the Social Connections Grant for project/ activity costs and not essential operating costs.**

3.0 How we assess and score your application

Every application that is received requesting a grant will be assessed initially to ensure that the organisation is eligible to apply to this particular Grant Programme.

Every application that is received requesting a Social Connections Grant will be assessed for the following:

- To ensure that the organisation is eligible to apply to this particular Grant Programme.
- for reassurance of each organisation's capability to deliver the proposal, and
- how well the proposal meets community needs and contributes to Council's Strategic Priorities

An acknowledgement receipt will be electronically issued to you once your submission has been received. The Funding Unit will assess your application for eligibility. If your application is eligible to apply for grant aid, it will be forwarded to the relevant section for a full assessment against the stated criteria.

3.1 Eligibility assessment

The assessments in respect of Part A of the application form are awarded a pass or fail eligibility rating. If the organisation, based on the information supplied is able to satisfy the Council of their eligibility to draw down the grant, they will progress to the next part of the process.

If the organisation, based on the information supplied, is not able to satisfy the Council of their eligibility to draw down the grant from the fund, they will be advised of specific omissions / shortcomings and how these can be addressed to help prepare them for any future funding requests.

3.2 What if an application is not eligible?

If your application is not eligible, you will be notified immediately and the reasons will be outlined to you, it will not proceed to assessment and scoring.

If an organisation is not eligible for funding through the Social Connections Grant , the Community Development Team will help signpost to alternative sources of funding.

If an organisation or its activities are deemed to be the responsibility of other Council Departments, statutory agencies or voluntary bodies then you will be signposted to who you should apply to. If signposted elsewhere you will be required to complete and submit the relevant application form.

3.3 Assessment

Part B of the application form will be assessed on a Pass/ Fail basis as indicated in the table below.

Will the project provide activities for people that are experiencing loneliness or social isolation within the community? (Application Q1)	Yes/ No
Have the beneficiaries been identified? (Application Q3)	Yes/ No
Has a full itemized breakdown of costs been provided (Application Q4)	Yes/ No

3.4 How decisions are made.

The fund will remain open throughout the year until the budget is expended. Each year Council agrees budgets for grant programmes. There are other contributors to this grant programme, namely Health Trusts and Multi Disciplinary Teams and as a result the budget may increase in year.

Council Officers will assess and score the applications at various times throughout the year. Contact the Community Development Team for advice on when the next assessments will take place. This will help you plan your project to ensure that grant-aid is awarded in time, should you be successful. When the assessments are finalised, the officers will return the applications to the Central Funding Unit who will inform you of the decision within 7 days of your application being scored. It will be at this point that all successful/unsuccessful applicants will be notified.

3.5 What happens if an application is successful?

If an application is successful, Council will issue a letter of offer which is a legal agreement with the organisation to deliver on the proposals outlined in their application form.

Signed Letters of Offer will need to be returned before any funding is released

If successful, group members can avail of training that will explain the processes and procedures that relate to programme monitoring, submitting a financial claim, requesting a change to programme, promoting Council's support for the programme, monitoring and evaluation requirements and the process of verification

The grant will be paid in full upfront. Successful organisations will be required to submit an annual/ end of funding evaluation report along with records of expenditure to vouch for the grant spend, which will be outlined in the letter of offer. Officers may discuss the monitoring information with the groups that were funded and also with some of the people who have benefited from the community activity.

3.6 What happens if an application is unsuccessful?

If an application is not successful, officers from the relevant service area will be available to meet with the organisation to go through their application, develop a working relationship and provide practical developmental support to address areas of concern.

An Appeals Process / Review Procedure is also available if an application is unsuccessful. The purpose of this is to ensure that the decisions taken and procedures followed by Committees for individual applications are applied fairly and consistently.

The Review will provide an independent process through which an applicant will have the opportunity to demonstrate to the Review Panel that either:

- the outcome was unreasonable or
- that the proper procedures were not followed

Appeals on any other grounds will not be considered.

3.7 Government Funding Database

Please be aware we are required to check the Government Funding Database (GFD) prior to making awards in order to avoid duplication of funding.

If registered on GFD we ask you to state your organisation's Unique Reference Number (URN) to help with this process. Details of grants awarded will be uploaded to the GFD, it is the responsibility of the applicant group to ensure that the organisation details held on GFD are up to date.

3.8 Late Applications

It is the responsibility of each applicant to ensure that their application is submitted prior to the advertised time and date of closing. Applications received after the closing time/date for that assessment period will be carried over to the next assessment period, provided that there is still budget remaining.

Note: Council Officers will assess and score the applications at various times throughout the year for this programme. Contact the Community Development Team for advice on when the next assessments will take place. This will help you plan your project to ensure that grant-aid is awarded in time for your activity.
