Shop Local this Christmas

We invite you to shop local where possible this Christmas. In our four towns of Ballycastle, Ballymoney, Coleraine and Limavady, we have a great mix of independent retailers alongside popular multiples. To add to your shopping experience, we have coffee shops and restaurants to revive you morning, noon and night.

To help you with your Christmas shopping, we have plenty of free or low cost parking in each of the towns, as well as Park n Ride facilities in Coleraine. Details overleaf. Our shops are also opening late to serve you.
