- *Real nappies are easy to use and can save £££s.*
- *Real nappies fit all ages and are really comfy.*
- *No pins or plastic pants.*
- *The average baby uses 5000 nappies from birth to potty. This costs around £1,000 and produces 1 tonne of waste. In Northern Ireland 117 million nappies are thrown away each year.*

Causeway Coast and Glens Borough Council is offering vouchers to help families make the initial investment to switch to real (also called reusable or cloth) nappies.

- 👤 Spend £50 on reusable nappies and claim a £30 voucher
- 👤 Spend £80 on reusable nappies and claim a £60 voucher
