We the undersigned, and in accordance with Standing Orders 23 (1) wish to rescind the following motion, proposed by Councillor Cara McShane and seconded by Councillor Angela Mulholland, which was ratified by full council on Tuesday 4th May 2021:

“To recommend that as we emerge from the pandemic, and encourage staycations and visitors to the Causeway Coast and Glens ,that we ensure regular emptying of bins to include additional staffing as deemed necessary by the Director”

This motion was not fully costed and by its very nature it will place a much greater financial responsibility on the whole of council and in particular the Environmental Services Directorate. Careful consideration should have been given to this proposal and its impact on council services across the Council.

Signed – Councillor McAuley, Councillor Wallace, Councillor McLean, Councillor McQuillan, Alderman Finlay, Councillor Anderson, Alderman Robinson, Alderman Duddy
