#### **CHANGE TO ORDER OF BUSINESS**

The Chair advised the Order of Business would be changed to receive the Notice of Motions next on the Agenda of Business.

### **4. NOTICE OF MOTION PROPOSED BY ALDERMAN FIELDING, SECONDED BY ALDERMAN S MCKILLOP**

*That this Council supports the Royal British Legion by providing and installing a Flagpole at their Portstewart War Memorial.*

Alderman Fielding stated the Notice of Motion and advised it was the wish of the local Branch to have a flagpole installed beside the War Memorial, similar to most War Memorials in the Borough, which the Council maintain. Alderman Fielding advised this will enable the local Legion to raise and lower flags on appropriate days and during commemorative services such as Remembrance Sunday. Alderman Fielding stated the War Memorial was erected in 1924, on Remembrance Sunday the Portstewart Royal British Legion, Community and Voluntary Organisations remember those from the Portstewart area who gave their lives in the two World Wars and also remember those who served in other conflicts. Alderman Fielding stated the Royal British Legion have also indicated they wish to have the flagpole installed in the year of Queen Elizabeth II Platinum Jubilee and proposed that Council support this request. Alderman Fielding advised that previously, on Remembrance Sunday, the Union Flag would have flown from Portstewart Town Hall, as this was no longer in use, it would now be appropriate to fly from the War Memorial.

Alderman S McKillop concurred with Alderman Fielding, stating the erection of the flagpole will afford the Portstewart Royal British Legion the opportunity to conduct their Commemorative Services, as other Branches in the Borough, she advised these dignified services pay tribute to the Armed Forces personnel who served us so admirably and courageously, the continuation of these ceremonial acts are important as they remind us and future generations of the human sacrifices made for peace, democracy, and the freedoms we

<sup>1</sup> RESOLVED: Council Meeting 1 November 2022 Alderman Boyle was in attendance.

enjoy today, something we should never forget. Alderman S McKillop seconded the proposal.

Alderman Boyle stated it was important to be respectful of those who gave their lives in the two World Wars and appropriately show respect on the occasions the Council and British Legion recognise. Alderman Boyle referred to the completed consultation on the Equality Impact on flag flying throughout the Borough and workshop to be held the following week and proposed an amendment - *following Equality Impact Assessment*.

Councillor C McQuillan stated Council should not be providing outside their remit, especially during cutbacks and queried whether the British Legion could take care of the issue themselves.

Alderman Fielding stated the precedent set, that Council maintain War Memorials and it would be remiss not to accede to the request, he advised there had been money spent in Garvagh and Castlerock in recent years, the request was a very minimum cost, as a flagpole was available from Portstewart Town Hall. Alderman Fielding advised Remembrance Sunday was remembered by the Union Flag flying at Portstewart Town Hall and this was now not the case and the Legion would like to have the flag flown on appropriate days. Alderman Fielding advised the Flag Policy related to Council Buildings and the request would not fall under Council's Flag Policy, as Portstewart War Memorial was owned by the Royal British Legion.

In response to Councillor MA McKillop, the Director of Environmental Services clarified Council maintain, replace and repair flagpoles on War Memorials Council have responsibility for maintaining.

In response to Councillor MA McKillop, Alderman Fielding clarified the flagpole from Portstewart Town Hall was in the Council Depot and would be reused as it already exists.

The Chair advised there was no seconder for the amendment.

The Chair put the Notice of Motion to the Committee to vote.  
8 Members voted For, 2 Members voted Against, 2 Members Abstained.  
The Chair declared the Notice of Motion carried.

**5. NOTICE OF MOTION PROPOSED BY COUNCILLOR MULHOLLAND,  
SECONDED BY COUNCILLOR QUIGLEY**

*That this Council resolves and amends with Council/amenity site policy to solve issues affecting disposing of bulk waste.*

Councillor Mulholland stated the Notice of Motion and advised she had been contacted by retailers who would wish to take customers old furniture to be recycled, however as soon as they handle it, it becomes trade waste and therefore liable to charges. Councillor Mulholland stated the motion would be instrumental in helping to reduce the amount of fly tipping which had reached high levels throughout the Borough and would help control rodent infestation. Councillor Mulholland advised that Council would not let their employees into people's homes to remove items, they are required to be left outside for 72 hours and will not dispose of the item if it gets wet. Councillor Mulholland referred to older people and those who reside alone who cannot manage to get heavy items left outside and advised that not everyone has access to a van and relatives to assist.

Councillor Mulholland stated the current Policy could not be cost effective for Council if, for example, a van is used and two staff pick up a large item for £10 and the timescale for items to be collected was up anything up to 10 days or 2 weeks, perhaps the nature of the programme due to need. Councillor Mulholland referred to Council's current policy of no vans permitted into the Amenity site and suggested this could be addressed by keeping a ratepayers address where the item was collected from, and registration plates of vehicles, to ensure no misuse of the system and the expertise available in-house to develop. Councillor Mulholland stated when household Items are collected by the business it is providing a service to householders, a net cost saving to Council. Councillor Mulholland questioned what we as a Council can do to resolve issues collectively, in the interests of the Community?

Councillor Quigley stated she had received complaints regarding the issue from families, elderly people and women on their own with no-one to take away old furniture, she advised businesses were offering to take furniture away but there was an issue with trade waste and suggested to review and amend the Policy. Councillor Quigley stated a rationale, the decreased need for Council staff to be sent out in vans throughout the Borough, reduce the amount of items fly tipped and associated clean-up costs. Councillor Quigley advised of co-operation with local charities to recycle and that, CRUN were looking into such an initiative. The motion would be in line with Council Policy to Reduce, Reuse, Recycle, that it initially be trailed at the four Amenity sites. Councillor Quigely provided a list of Ulster Supported Employment (Use1) partnerships and following a question from the Chair clarified this initiative unrelated.

\* **Alderman McQuillan arrived at The Chamber at 7.22pm.**

Councillor Wallace stated he was not against what the Councillors had stated and suggested a report could be brought back.

The Director of Environmental Services stated serious reservations placing staff in a difficult position at Amenity Sites, and agreed to bring a report back on the advantages and disadvantages he had immediately identified.

Proposed by Councillor Wallace  
Seconded by Alderman McLean and

**AGREED** – to recommend that Council bring a report to Environmental Services Committee on the advantages and disadvantages of the Notice of Motion.

\* **Councillor Mulholland and Councillor Quigley left The Chamber at 7.26pm.**

## **7. CONSULTATION ON HSENI CORPORATE PLAN**

Report, previously circulated.

The purpose of this report is to provide a Causeway Coast and Glens Borough Council response to the consultation exercise.

### **Background**

District Councils and HSENI both enforce workplace health and safety law with responsibility divided by sector.

The Health and Safety Executive for Northern Ireland (HSENI) is in the process of developing its seventh Corporate Plan (CP) to cover the period 2023-2028.

The new Corporate Plan will identify the issues HSENI will focus on during the lifetime of the plan and outlines the specific outcomes which HSENI, working in partnership with industry, aims to achieve.

HSENI plan to have three major themes in years one, three and five of their new Corporate Plan. The three annual cross cutting themes aim to tackle a work activity known to be a cause of fatalities, serious injury or ill-health and will involve a wide range of activities such as a marketing campaign (media / social media / radio / TV / website etc.), group activities (inspection blitz / awareness raising), speaking events etc.

HSENI will chose the themes based on priorities, statistics, evidence, emerging issues and trends. HSENI have chosen workplace transport safety as their year one theme and will select the themes for year three and as they evaluate data but intend to include health as one of the themes. HSENI plan a strong element of partnership throughout this work cycle.

HSENI's proposed sectoral priorities which will be their focus over the next five years is attached as Appendix 1.

Attached as Appendix 2 is a suggested response to the consultation. The closing date for submission of responses to HSENI was 10th October 2022. Due to the time constraints of meeting timetables this has been submitted as an officer response pending endorsement by Committee and approval by Council.

### **Recommendation**

It is recommended that Council endorses the response.

Proposed by Councillor Callaghan  
Seconded by Alderman McLean and

**AGREED** – to recommend that Council endorse the response.

## 8. FUEL & HEATING OIL PROCUREMENT

Report, previously circulated.

### **Purpose of Report**

In June 2021 Council approved a policy for procuring, storing and distribution of fuels within depots. This policy has been updated to include heating oil used in civic and other council buildings.

### **Background**

In response to internal audit findings, a policy on fuel procurement was developed to formalise current procedures and address weaknesses in the ordering, receipt and usage of fuel throughout the Council depots. The policy clearly set out roles and responsibilities which reduced the risk that ordering and access to fuel is not subject to fraud, misappropriation, misuse and ensures that leaks are quickly Identified and addressed.

The policy has now been updated to include procurement of heating oil for council assets such as civic and leisure facilities. A revised copy is attached for information.

The audit did not suggest that there any significant issues but the introduction of a formal documented policy/procedure will further safeguard Council's interests, particularly in light of the recent significant increase in fuel cost.

### **Recommendation**

**It is recommended** that Council note the updated policy for the procurement, receipt, storage and use of fuel.

In response to questions, the Director of Environmental Services clarified the process was driving weekly efficiencies and obtaining best value for Council and quotes cheaper than the Government wide initiative.

Proposed by Alderman McLean  
Seconded by Councillor Wallace and

**AGREED** – to recommended that Council note the updated policy for the procurement, receipt, storage and use of fuel.

The Chair advised the following Items were for Information.

### 13. PRIVATE CONTRACTOR LITTER ENFORCEMENT STATISTICS (WISE)

Report, previously circulated.

The purpose of this report is to advise members of the private contractors' litter enforcement activities for the contract which ran from 2<sup>nd</sup> August 2021 to 23<sup>rd</sup> September 2022.

#### Background

Further to report Environmental Services 10 August 2021, Council Meeting 7 September 2021, Environmental Services 22 September 2022 and Council Meeting 4 October 2022 members will be aware that the private litter enforcement service provided by Waste Investigations Support & Enforcement (WISE) commenced on 2<sup>nd</sup> August 2021 and came to an end on 23<sup>rd</sup> September 2022. This partnership was established to provide an additional resource to tackle the issues of littering and dog fouling throughout the Borough.

Statistical information for the full contract period was provided in tables below (circulated).

Table 1 Total No. of Fixed Penalty Notices (FPN's) Issued by Offence type (2<sup>nd</sup> August 2021 – 23<sup>rd</sup> September 2022)

Table 2 Fixed Penalty Notices issued by town/area (2<sup>nd</sup> August 2021 – 23<sup>rd</sup> September 2022)

**Recommendation**

**It is recommended** that the Environmental Service Committee recommends to Council to note the above.

**14. CONFIRMATION OF FUNDING FROM THE PUBLIC HEALTH AGENCY FOR THE DELIVERY OF SERVICES 2022-2023**

Report, previously circulated.

The purpose of this report is provide members with confirmation of the level of funding from the Public Health Agency to continue to deliver the Energy Efficiency Advice and Home Safety/Accident Prevention Services.

**Background**

The Public Health Agency (Northern Office) have confirmed in correspondence dated 3<sup>rd</sup> October 2022 the level of funding to ensure the continuation of existing contracts until 31<sup>st</sup> March 2023 in respect of the following services:-

Accident Prevention £66,727.00

Energy Efficiency Advice Service £52,118.00

This represents a 3.94% increase on the previous year's funding.

A delivery work plan including key performance indicators has been agreed for each of the service areas with the funders. For Accident Prevention, this includes the provision of home safety advice, the supply and delivery of equipment and the delivery of home safety initiatives as per the Regional Home Accident Prevention Strategy.

With respect to Energy Efficiency, this includes advice and support including signposting to grant providers, addressing fuel poverty and energy efficiency, supporting fuel stamp schemes, oil buying clubs, distribution of keep warm packs, delivering initiatives such as Energy Detectives, Slow and Sew Energy Efficient programmes.

These and all other terms and conditions of the contracts remain unchanged from the previous year.

**Recommendation**

It is recommended that Committee note the funding being provided by the PHA with respect to the continuation of these services.

**15. MATTERS FOR REPORTING TO PARTNERSHIP PANEL**

There were no matters for reporting to the Partnership Panel.

## 16. CONSULTATIONS

There were no Consultation documents.

## 17. CORRESPONDENCE

Report, previously circulated.

### (i) **Dfl Roads Northern Division** (email dated 14<sup>th</sup> September 2022)

#### **Summary**

In response to the Director of Environmental Services correspondence requesting information on weed spraying within the Borough, Dfl Roads has provided information.

Causeway Coast & Glens East and West Weed Spraying dates were circulated within the report.

During discussion the observation was made there had been one weed spray, the Director of Environmental Services clarified weed spraying was contracted out by Dfl Roads, and he would seek clarification of the number of sprays carried out, as it was his understanding there used to be two sprays. The Director of Environmental Services confirmed there had been no spraying in Cushendall and Cushendun.

#### **MOTION TO PROCEED 'IN COMMITTEE'**

Proposed by Councillor Wallace  
Seconded by Alderman McLean and

**AGREED** – to recommend that Council move *'In Committee'*.

- \* **Press and Public were disconnected from the meeting at 7.40pm.**
- \* **Councillor Holmes had connected remotely at this point and had left The Chamber.**

***The information contained in the following items is restricted in accordance with Part 1 of Schedule 6 of the Local Government Act (Northern Ireland) 2014.***

## 18. LICENCES ISSUED UNDER DELEGATED AUTHORITY

Confidential report, previously circulated.

The below licences were issued under Delegated Authority during the last report period (circulated).

#### **Street Trading (NI) Act 2001**

## 19. STREET TRADING LICENCE RENEWALS

Confidential report, previously circulated.

## **Street Trading (NI) Act 2001**

The undernoted applications for a street trading licence have been received, acknowledged and processed during the report period (circulated).

### **20. PERIOD 5 – ES MANAGEMENT ACCOUNTS AND FINANCIAL POSITION 2022/23**

Confidential report, previously circulated.

#### **Purpose of Report**

The purpose of this report to provide Members with information on the current financial position of Environmental Services Directorate at the end of Period 5.

#### **Recommendation**

Members are requested to note the paper and officers bring a further report on the options listed in Appendix 1 to the Finance Working Group.

The Director of Environmental Services brought Committee's attention to a typing error on page 2 which should have read £426,549.58.

Committee discussed Bin Collection proposed savings and car parking charges. The Director of Environmental Services clarified the 3-weekly brown bin collection was about to be implemented and householders would receive notification of this.

Councillor Wallace stated support for 3-weekly collection of all bins as a trial, and requested that positive promotion of recycling should also take place. Alderman McQuillan suggested a pilot which could be reviewed, of which the proposer and seconder agreed to incorporate into their motion.

Proposed by Councillor Wallace  
Seconded by Councillor Callaghan and

**AGREED** – to recommend that Council approve the *Saving Move to 3 weekly collection system, Black, Blue, Brown rotation* for a trial 6 month period; and bring a report to Environmental Services Committee monthly, in order to review and identify issues.

\* **Harbour Master joined the meeting remotely.**

### **21. HARBOUR & MARINA STRUCTURE**

Confidential report, previously circulated.

#### **Purpose of Report**

The purpose of this report is to seek Member's approval to recruit harbour and marina staff on a permanent capacity. Note: with the exception of the existing harbour master, the current staff resource is currently already being provided by agency staff.

The service area has been in existence for 7 years and thus the resource requirements have been comprehensively evaluated against the service area “need” to deliver an effective safe service.

### **Recommendations**

It is recommended that the Environmental Services Committee consider and approve the proposed structure as per figure 3.0 above.

In response to questions, the Director of Environmental Services advised Ballycastle Deputy Harbour Master had additional responsibilities to include Rathlin and clarified the annualised hours; that twelve staff had been in place since the inception of Causeway Coast and Glens Borough Council.

The Director of Environmental Services advised exact Job Evaluation costs could be obtained when the Structure is approved and agreed to have the costings available for the Council Meeting.

Proposed by Alderman McLean  
Seconded by Councillor MA McKillop and

**AGREED** – to recommend that Council approve the proposed structure as per figure 3.0 above (circulated), subject to the Job Evaluations being costed and brought to the Council meeting.

### **MOTION TO PROCEED ‘IN PUBLIC’**

Proposed by Councillor Wallace  
Seconded by Alderman Fielding and

**AGREED** – to recommend that Council move ‘*In Public*’.

## **22. ANY OTHER RELEVANT BUSINESS (NOTIFIED IN ACCORDANCE WITH STANDING ORDER 12 (0))**

There were no matters of Any Other Relevant Business.

There being no further business the Chair thanked everyone for their attendance and the meeting concluded at 8.14pm.
