

Addendum

E/2015/0056/F

Full Planning Permission

Update:

Further plans have been received removing the proposed car parking from zoning BSED 03 of the Northern Area Plan 2016. The proposed car parking has been relocated throughout the development (Drawing No 05/5 and 23/2). Transport NI were re-consulted with the revision and have sought further amendments in relation to the car parking layout.

As all development has been removed from the zoning the refusal reason 3 in Section 10 has now been withdrawn.
