

Report for Partnership Panel

To: Council

Date: 23rd June 2015

	Comments	Proposed actions
Borough Overview		
Legislation and Governance		
Prosperity: Local Economy and Regeneration		
Place: Environmental issues, Planning and Community Planning	<p>1. Concern raised that the DoE Draft Northern Area Plan 2016 has not yet been adopted</p> <p>2. Concern raised that there is substantial erosion of the sand dunes at Magilligan Point. Sand has been washed away and farms are losing land. Proposed that a holistic approach is taken to resolving this.</p> <p>3. Responsibility for knot weed along river banks needs to be clarified especially at river passages. NIEA do not currently permit spraying along the river banks therefore red tape situation means the issue is not being dealt with.</p>	Elected Members agreed that these matters should be brought to the Partnership Panel for discussion.
