

Addendum

LA01/2016/1026/F

Full Planning

Update

One further letter of objection has been received.

The main points covered in the letter are as follows: “the area surrounding this property consists of bungalows and the proposed plan would not keep the appearance of the park” and “many of the residents have been here a long time and do not need or want the upheaval that the building of this property would cause.”

These issues are similar to the objections already received and have already been addressed in the Committee Report.

RECOMMENDATION

That the Committee notes the content of this addendum and agrees with the recommendation to approve as set out in paragraph 9.1 of the Planning Committee Report.
