Accountability and Responsibilities

Paragraph 4.2 (Meeting Travel Expenses)

Line Manager/Head of Service Responsibility: *Make a decision on whether to support the application for assistance. In supporting the application form, Line Managers/Heads of Service are confirming, to the best of their knowledge, that the content is correct and that they are willing to support the application (e.g. investment in course, granting time off, meeting travel expenses etc);*

What are the travel expenses?

Section 7.3 provides further details in relation to Travel Expenses, *'travel to an approved course of study and any compulsory residential's will be paid at public transport rate (25.7p), in accordance with Council provision. Reimbursement will only be considered for those costs identified on the application form. Such expenses are met from the Department budget where the employee works.*

Eligibility

Paragraph 5.1

To apply for funding, an employee must have been employed by the Council for a minimum of 6 months and must have satisfactorily completed their probationary period. There should be no outstanding issues with their performance. Requests from employees who are on temporary contracts will be reviewed in light of how long the course is for and how long their contract is likely to last.

How will requests from temporary employees be considered and how will they ensure payback?

Example 1

An employee has been offered a temporary contract for one year to cover the maternity leave of another employee, they submit a request for a course which, is relevant to their post but will last one year. This course would not be approved.

Example 2

An employee has been offered a fixed term contract for 3 years to work on a funded programme, they submit a request for a course which is relevant to their post and will last 1 year. This course would be approved, they will remain in the organisation a further 2 years.

Agency Workers are able to access mandatory and short courses which are available within Council such as health and safety courses, equality and good relations courses, however in normal circumstances it is anticipated that agency workers will provide cover for short periods of time and provide seasonal cover and therefore will be unable to access the Policy.

Paragraph 5.2

New employees to the Council, who are continuing a course of study will be eligible to apply for assistance in accordance with the Policy. The probationary rule does not apply in this instance. The Head of Service and OD/HR Manager will ensure that the

course is appropriate for their new position and that sufficient funds are available from the central training budget to cover the remaining fees.

How will this be applied?

Example 1

An applicant is offered a position with the Council in April. They are completing a 3 year course and are in their second year.

Year 1 Sept – June - Complete

Year 2 Sept – June - Currently studying

Year 3 Sept – June

They request permission, before they commence employment, to complete the course both Year 2 and Year 3. In accordance with the considerations above they may receive approval to complete the course or Council may advise them that we cannot support the course and they must then make a decision whether or not to accept the post.

Paragraph 5.7

The suitability of the course should be relevant to the employee's work experience and level of responsibility.

Revise to:

*The suitability of the course should be relevant to the employee's work experience **and career progression.***

Paragraph 5.8

The level of course and method of study should be appropriate to the applicants existing qualifications and previous attainments, and there should be good reason to believe that the applicant will successfully complete the course.

Include:

Applicants must demonstrate how they can meet the minimum criteria to complete the course.

Procedures for Applying for Assistance

Paragraph 6.6

*Applications must be received by the closing date set by the OD/HR Department usually 30th June, unless otherwise advised. Late applications will only be accepted, if there is further available funding. **Where there is additional funding late applications will be dealt with in accordance with the date they are received.***

Paragraph 6.9

Employees will be required to repay the course fees if they discontinue the course before completion or without good reason fail to take an examination.

Removed the phrase 'within a reasonable time'.

Assistance Available

Paragraph 7.3 – Special Leave and Time Off

The four days special leave has been considered by the Line manager before the course is approved as detailed in Section 4.2 Line Manager/Head of Service Responsibility

Part Time employees will be afforded the same quality of access to learning and development opportunities and provisions as full time employees. If learning and development courses are outside his/her contractual hours, part time employees will be paid on the same basis as full time employees to attend the course of study.

This is in accordance with NJC Terms and Conditions of Employment.

Paragraph 7.5 – Examination Results

If an employee fails any examination they must advise their line manager and the OD/HR Department. Council will finance the examination fee for one additional resit only, which must be taken at the earliest opportunity.

No further action.

Conditions of Assistance

Paragraph 8.2

Payment from the Learning and Development budget will be made for course registration, books, examination fees and residential costs. Any travel costs will be met from the Departmental budget.

No further action.

Paragraph 8.3

Should the employee leave the Council within two years of completing the course, then the financial assistance provided will be repaid. The repayment required would reduce over a two year period by 1/24th for each month after completion that the employee remains with the Council. The amount outstanding will be deducted from their final salary, or a monthly repayment arrangement will be agreed if required. This will be in accordance with the amount outstanding.

Example 1

Employee received the following monies for a course:

£1000

They complete the course in June and leave the Council at the end of August – monies due:

$$£1000/24 = £41.66 \times 2 = £83.33$$

$$£1000 - £83.33 = £916.67 \text{ to be repaid}$$

Example 2

Employee received the following monies for a course:

£600

They completed the course in June 15 and leave the Councils employment in Dec 16

$$£600/24 = £25 \times 18 = £450$$

$$£600 - £450 = £150 \text{ to be repaid}$$

Paragraph 8.5

Acceptance by the employee of the financial assistance provided will be taken as acceptance of the terms of this policy

This will read:

*Acceptance by the employee of the financial assistance provided will be taken as acceptance of the terms of this policy. **This should be in writing as detailed at 10.3.***

Application Process

Paragraph 9.2

Applications should be agreed and approved by the employees Line Manager and Head of Service before submission to the OD/HR Department. Applications should be submitted no later than 30 June each year (unless otherwise advised by OD/HR

Department). Applications will be considered by the SMT before final approval is given.

No further action.

Authorisation for Requests for Assistance

Paragraph 10.3

The OD/HR Department will notify employees in writing whether their application has been approved, deferred for support in future years, or rejected. Employees offered support under the Policy will be required to sign and return an Agreement for Financial Assistance (Appendix 2), prior to any support being provided under the policy.

Include availability of funding in future years - This point is covered in point 5.10

Paragraph 10.4

Where an employee who has received approval to undertake a course of study fails to take up the course in the academic year in which his/her application is approved, he/she will be required to make a fresh application at the point in time when he/she wishes to commence the course. The approval of a previous application will not automatically guarantee that a future application will be able to be supported.

Include a refund of any monies paid.

This matter is dealt with a point 6.9.

Appeal Mechanism

Paragraph 11.1

Should an employee's application for assistance be rejected, the employee will have the right to appeal the decision. An appeal will be conducted by the Head of OD/HR and written confirmation will be provided to the employee detailing the outcome. No further appeals will be undertaken after this point. The decision of the Head of OD/HR is final.

Consider if this is a conflict - can the Head of OD/HR hear the appeal?

As detailed at Section 2 2.5 this process will be managed and organised by the Council's OD/HR Department and overseen by the OD/HR Manager. The Head of OD/HR is not involved in the decision making process. However it may be helpful that another Head of Service, from a different department and not previously part of the application process is included in the appeal process.
