Background

Council is committed to distributing available grants fairly, efficiently and effectively. The purpose of Council's Grant Funding Policy is to outline the agreed approach to Grant Funding in relation to resourcing external bodies to assist in the delivery of its strategic objectives and priorities.

Council annually review and approve the Grant Funding Policy for the distribution of grants. This policy has been reviewed and is being presented to Council with recommendations for the period 2017-18. (The Policy is attached as Annex A).

The proposed Grant Programmes for the 2017/18 period will be reviewed in full, including eligibility and criteria, at an elected members workshop to be held on Thursday 13th October 2017 at 7.00pm in the Coleraine offices. The grant programmes for 2017/18 will then be presented to Council for approval in November 2016.

Grant Funding Policy

The policy sets out a framework for the processing of grants. The overall aim of the funding process outlined in the policy is:

"To have a consistent, customer focused process with relevant assessment and evaluation procedures with appropriate appeal and monitoring systems in place".

Principles

- Grant funding awards are at the sole discretion of Council but will be dependent on the Council's available and agreed level of funding which is determined in the annual budget.
- Activities grant funded must be fully consistent with the strategic aims and priorities of the strategies to be addressed.

- Due regard will be given to equality considerations in accordance with Section 75 and any other statutory duty.
- All funding applications will be determined on their objective merits. No organisation is entitled to funding because it may have been granted funding in the past or for any other reason.
- Council must ensure proper, prudent and effective use of Public Money.
- Contracted services must be tendered in adherence to the Council's Procurement Process.
- Eligibility for funding is enabled through the grant programmes with specified criteria. This allows Council to focus on supporting organisations to achieve their best and to meet clearly identified needs, which must all be bound by Council's strategic priorities.

Review

The following amendments are recommended:

1. INTRODUCTION

The Grant Funding Policy is built on a set of agreed principles and an understanding that:

- Grant funding awards are at the sole discretion of Council but will be dependent on the Council's available and agreed level of funding which is determined in the annual budget.
- Activities grant funded must be fully consistent with the strategic aims and priorities of the strategies to be addressed.
- Due regard will be given to equality considerations in accordance with Section 75 and any other statutory duty.
- All funding applications will be determined on their objective merits. No organisation is entitled to funding because it may have been granted funding in the past or for any other reason.
- A consistent, customer focused process is required in relation to grant applications with relevant assessment and evaluation procedures with appropriate appeal and monitoring systems in place.
- Council must ensure proper, prudent and effective use of Public Money.
- Contracted services must be tendered in adherence to the Council's Procurement Process.
- Eligibility for funding is enabled through the grant programmes with specified criteria. This allows Council to focus on supporting organisations to achieve their best and to meet clearly identified needs, which must all be bound by Council's strategic priorities.

3. DEFINITIONS

Three terms for funding are defined in this policy:

- **Donation.** Something that is given to a charity or deserving cause, without return consideration. This lack of return consideration means that, in common law, an agreement to make a donation is an "imperfect contract void for want of consideration.
- **Grant.** A grant is a financial transfer used to fund an activity that is in broad alignment with the funder's objectives. Grant-in-aid is a payment to finance the costs of a body operating at arm's length.
- **Contract for Services.** Where a level of service is defined and commissioned by the funding body outside the grants regime, this forms a conventional trading relationship established through procurement. Procurement is defined as being the acquisition of goods and services from third party suppliers under legally binding contractual terms where all the conditions necessary to form a legally binding contract have been met. Such acquisitions are for the direct benefit of the contracting authority, necessary for the delivery of the services it provides or for the running of its own business.

This policy is relevant to the definition of grant funding.

4. ACCOUNTABILITY AND RESPONSIBILITIES

This section outlines the role of elected members, officers and others as appropriate, in relation to the Policy:

The Mayor and Elected Council Members are responsible for:

- *Accountability to the electorate to ensure proper, prudent and effective use of Public Money and Ensure Equality and the promotion of Good Relations are considered in all applications in line with section 75 of the Northern Ireland Act 1998.*

The Chief Executive is responsible for:

- *Accountability to the Council to ensure that activities that are grant funded are fully consistent with the strategic aims and priorities of the Causeway Coast & Glens Community Plan and the Council's Corporate Plan.*

The Directors are responsible for:

- *Being accountable to the Chief Executive for the application of a consistent, customer focused process with relevant assessment and evaluation procedures with appropriate appeal and monitoring systems in place.*

5. IMPLEMENTATION PROCEDURES

5.1 Underpinning Principles

Regardless of the means by which grant funding is awarded to a third party or arm's length organisation, the following principles, aims and objectives will apply. The policy acknowledges the need for a transparent and fair means of dispersing grant funding, while maintaining due diligence in the management of public monies.

The underpinning principles that have been identified are:

a. The Basic Funding Requirement is Based on established need

The overarching principle is that of meeting local needs which have been identified and prioritised by Council or by others but acknowledged by Council. Any activity that cannot be shown to meet the following basic requirements should not be provided with funding:

- Have a clearly identified need, shaped around the needs of the ratepayer.
- Can deliver outcomes which meet this need.
- Deliver cost effective and quality service provision, fitting with the purpose and remit of that funding.
- Be delivered by a credible organisation with the capacity to deliver the project as stated.
- Reflect the statutory remit of Causeway Coast & Glens Borough Council, aligning with the Community Plan and the Council's Corporate Plan and relevant service plans of Council.

b. Accessibility

Information on all funding programmes will be available through the Council's website; and through other forms of media as required.

- Advice on completing the application forms will be available.
- Paper and electronic forms will be made available.
- Where required, Council will make information and application forms available in other formats in line with Equality legislation.

ANNEX A

c. *Clarity*

- We will endeavour to keep the process straightforward, transparent and understandable.

d. *Transparency, Equality and Accountability*

- All decisions will adhere to this policy and criteria within programmes.
- In terms of decision-making and process, Council must be able to justify any decisions, which have been taken by Members, and any rationale for decisions taken must be used as a basis for clearly showing why organisations are funded at a particular level.
- The funding policy will make it possible for the Council to be transparent about the funding decisions taken and the process used to reach those decisions.
- A right of appeal is available to all applicants should an application be rejected.

5.2 Aims & Objectives

The overall aim of the funding process is:

'To have a consistent, customer focused process with relevant assessment and evaluation procedures with appropriate appeal and monitoring systems in place.'

The objectives of this policy are to ensure that all funding and grants allocated will:

- Further the objectives as outlined within the Community Plan and Council's Corporate Plan.
- Target resources to meet identified needs.
- Maximise leverage (for example in kind contributions or match funding).
- Maximise sustainability (economic, environmental and social).
- Achieve greater accountability and openness.
- Ensure Equality and the promotion of Good Relations are considered in all applications in line with section 75 of the Northern Ireland Act 1998.
- Provide guidance to officers, members and voluntary and community organisations on policy for funding and support of local groups.

Applications received will be measured against these criteria and any specific criteria relating to individual grant streams. Weighting and scoring systems will be developed to ensure that all applications are treated consistently and fairly.

ANNEX A

5.3 Availability of Funding
